Providing scholarships to individuals studying to be Missionaries of the Sacred Heart priests and brothers.

Foundation Prepares for 40th Annual Benefit Dinner

The Fortieth Annual Dinner of the Sacred Heart Foundation will be held at the Hilton Garden Inn on **Wednesday, September 18, 2013**. This will be the second year that the Hilton Garden has hosted the event. The Dinner Committee chaired by past Board member and Honorary Council member John Gaffney has been working on details since shortly after last year's event.

Father E. Michael Camilli, MSC, is the featured speaker. Father Camilli has served as Pastor of two MSC parishes in Nazareth, PA and Ottsville, PA. Before his retirement, he was the MSC Superior of Sacred Heart Villa, Center Valley, PA while also serving as the Secretary for Catholic Life and Evangelization for the Diocese of Allentown, PA. Father Camilli's timely topic is "Renewed Missionary Energy in the Year of Faith."

Last year's dinner sold out, so we encourage you to order your tickets early. You may purchase tickets for the dinner from any Board or Honorary Council Member or by calling the Foundation office at (315) 782-3344. If you cannot attend, consider making a donation in lieu of a ticket purchase. See enclosed card for details.

US Province Celebrates Five Ordinations in 2013 All Five Were Recipients of Sacred Heart Foundation Scholarships

The mission of the Sacred Heart Foundation is clear: raise funds which provide financial assistance for the education of those studying to be priests and brothers of the Missionaries of the Sacred Heart anywhere in the world. The fruits of this mission and the generous donations and participation in Foundation events were very visible this June/July as the U.S. Province and its Columbian region celebrated the ordination of five seminarians. All of these men are recipients of Sacred Heart Foundation scholarships.

Our prayers and congratulations go out to these four MSC seminarians from Columbia. Three were ordained to priesthood and another to diaconate on July 13, 2013.

Shown to the left, awaiting his call to orders is Jorge Mario Vallejo, MSC. The three newly ordained priests in the next picture are from left to right: Ernesto Odilio Caicedo, MSC, Juan Pablo Romero, MSC, and Favio Castro Andino, MSC.

The Foundation is pleased to announce the recent receipt of a contribution to the **Heart of Gold Campaign** from Mr. Cecil Greenwood of Watertown, New York.

Have you considered your contribution yet? Your financial advisor or estate lawyer can see that the appropriate language for a gift is included in your will. It will require only a little effort on your part to think about the size gift you consider appropriate and representative of your support of the Sacred Heart Foundation.

The gift you plan today considers the needs of our world in the future. How many lives will be touched by your gift? How many souls will be directed to Jesus because you helped a young man learn how to spread the Good News of the Gospel to people in need and to serve as a minister of His love?

## New York State Names New Connector Road for Former Foundation Director

In 1986-1987 while stationed at Fort Drum, New York, then Brigadier General Paul G. Cerjan served as a Director of the Sacred Heart Foundation. A New York native, his service to his nation and community was recently recognized with the naming of a long awaited connector road between Interstate Route 81 and U.S. Route 11 in his honor.

The project included the construction of approximately 4.8 miles of new interstate, designated Interstate 781, between Interstate 81 and the Main Gate of Fort Drum.

The new interstate is ceremonially named after Lieutenant General Paul Cerjan, a key architect of the modern Fort Drum and a driving force behind the expansion of the installation.

A Rome, NY native, General Cerjan served in the Army for 34 years. He served as the Assistant Commander for Support of the 10<sup>th</sup> Mountain Division from 1985 to 1988. During that time he was responsible for the planning, programming and execution of a \$1.2 billion construction project, which transformed Fort Drum from a small reserve training center to a world class military installation.

After his retirement in 1994, General Cerjan continued to contribute to both our nation and the North Country. He served as CEO of several organizations in direct support of soldiers in combat and also served as president of three universities.

General Cerjan died in April, 2012.
